

Winter League is starting up again.

Hi everyone, the BRC indoor smallbore league will be starting up again on Monday nights. The league will meet Monday nights from 9/14/15 through 3/23/16. Range will be open at 5:15 with first relay starting at 5:30. Shooters have 45 minutes to fire 4 strings of 10 shots on the A36 target with .22 rifles. We provide the targets, you provide the rest of the gear. We also have a second relay starting at 6:15 for those who can't make the 5:30 relay. Shooters may choose their combination of positions. Either scopes or iron sights are acceptable. We award prizes at our annual banquet for many different categories including those who shoot 3-position shooters (Olympic style), silhouette (4 standing targets), biathletes (2 position), all prone, and high-power shooters (prone, sitting, standing). You're also welcome to come out, even if you do not want to bother with the scores. (The more the merrier.) This is a great way to keep your eye up during the winter, getting ready for hunting, or just having fun punching some holes in targets. There is no formal coaching, but some limited coaching could be arranged for new shooters. Cost for range fees and prizes is \$40 per half, \$80 for the full season. Shooters must either be a regular member of the Boulder Rifle Club or must be a BRC Lite member (applications available on the <http://www.boulderrifleclub.com/member.html> site.) For more information email Curt Lehman at Lehman.Curtis@gmail.com or call 720-494-0101.
