Dear Prospective Member:

Thank you for your interest in the Boulder Rifle Club.

The Boulder Rifle Club is a member owned, not for profit Colorado corporation with facilities in Boulder County. The Boulder Rifle Club is NRA affiliated and was chartered in 1923.

We reached our self-imposed membership limit many years ago and as a result maintain a waiting list for adult membership. Unfortunately the waiting list is very long with an expected wait time of over 10 years. While we regret this situation we also realize that our club simply cannot provide for the needs of the entire community. We encourage those who seek a safe place to practice the shooting sports work to create a new facility in or nearby Boulder County. We urge you to contact your elected representatives and seek their help in establishing such a facility.

There is no charge to be placed on our membership waiting list. Please complete the application form on the next page and submit it to our post office box. We recommend that you contact us 30 days after submitting a membership waiting list application to verify that your application has been received. Please update us should your contact information change. You may do so through our post office box or via email to membership@boulderrifleclub.com.

We offer Junior memberships for persons under 18 years of age. There is no limit on the number of Junior memberships and youth interested in target shooting activities should apply for membership. Please complete the application form on the next page and submit it with payment to our post office box. Details of the activities for Junior members are available on our website. Junior members have no range access outside of organized activities.

Individuals who participate in our classes, matches and public range activities may receive a discount on these activities by becoming a Lite Associate. Lite Associates receive the newsletter and a discount but are non-members and have no range access outside of the activities that are open to the public. Please complete the application form on the following page and submit it with payment to our post office box.
